This is the motion now. The motion is to disapprove the appointment of Mr. Eggermayer. If you vote yes, you are voting to disapprove Mr. Eggermayer. If you vote no, you are, in effect, voting to approve him. The chair has ruled this takes 25 votes. Have you all voted? The clerk will record.

CLERK: Vote read. 11 ayes, 22 nays, 16 not voting.

SPEAKER: Motion fails. The clerk would like to announce some visitors with us this afternoon. I'm not sure they are all here yet. In the north balcony, in Senator Marsh's district, 32 Fifth Grade students from Beattie in Lincoln. In the north balcony, 27 3rd Grade students from Weeping Water Public School. Senator Cal Carsten district. In the south balcony, 22 5th and 6th Grade students from St. Joseph's School in Geneva, Senator Maresh's district. Anything further on the Clerk's desk.

CLERK: Yes, Mr. President, Senator Marvel has a motion. Read.

SPEAKER: Senator Marvel.

SENATOR MARVEL: 544 has to do with the establishment of a cash fund in the Department of Education, basically for rehabilitation purposes. We have been informed that the bill is questionable and, therefore, if it is returned, we simply clean up the amendment so that it is clear that this cash fund is established. That's all this does.

SPEAKER: Motion is the request that the Governor return this bill, is that right, Senator Marvel. Are you ready for the question? Any discussion. This requires 25 votes. All those in favor of requesting the Governor to return LB 544 vote aye. Those opposed vote no. The clerk will record.

CLERK: 28 ayes, 0 nays, 21 not voting, Mr. President.

SPEAKER: The chair assumes the clerk also send somebody after the bill.

CLERK: We will do so, forthwith.

SPEAKER: Is there further business?

CLERK: Mr. President, I move to return LB 472 to Select File for specific amendment. Signed, Senator Warner.

SPEAKER: Senator Warner.

SENATOR WARNER: Mr. President, yesterday I indicated some amendments I put on the bill which were corrective or clarifying. These are identically the same thing. What I have asked the staff to do is to check and recheck and double check that there was no even minor technical questions with the language or anything else in the bill and a couple of these are corrections and a couple of them are only clarifications to eliminate any doubt that something could be done. The three amendments..or the four amendments..three are these, the three words in three. There is more than one in each one. One is in the Section that requires the state board to notify the Board of Equalization relative to the funding that it's clearly spells out that they do this each subsequent year or each year thereafter, after the beginning year, so there is no question about that. Then there is one section in the bill which has two (a) subsections. That should have been caught yesterday but it wasn't and this will renumber that and correct it so that there is the proper numbering. There is one error in the dates that I offered yesterday. As you recall, we changed dates from
